Thanks Steve. I have the 8/8/14 signed access agreement from Mr. Hennis, that I will include for the Upper Animas sampling locations.

Liz,

It appears that Mr. Hennis believes we already have access, so I suggest that you proceed accordingly. Put this in the access file should there be any future concern. You have the previous access agreement – if not I can provide it to you.

Steve-

Can you again inform Paula that EPA already has access to the sites?

I will probably go to Silverton for the April 28th stakeholders meeting.
